

The support of our donors enables us to help people make sense of the complex medical and personal information about breast health and breast cancer, so they can make the best decisions for their lives.

*Thank you for being my go-to source. I don't know what I would have done without Breastcancer.org 6 years ago. And I don't know what I would do without Breastcancer.org today. For myself and for all of my fellow breast cancer patients out there, thank you!*

— Ann Marie Otis, diagnosed in 2012

We are pleased to acknowledge the following donors for their generosity and support of Breastcancer.org. This list represents donors who made gifts totalling \$1,000 USD or more between June 1, 2017 and May 31, 2018.

## THANK YOU.

**EVERY GIFT MATTERS!**

We'd also like to thank the additional 2,362 donors who supported us throughout the year, with gifts from \$1 to \$999. Every \$1 donated helps us provide 3 people with the information and support they need to make the best decisions for their lives — so every \$1 makes a difference in the life of someone facing a breast cancer diagnosis.

We greatly appreciate each gift given in support of Breastcancer.org, and we have made every effort to ensure the accuracy of this listing. Please notify Lauren Hughes, director of development, of any inaccuracies or omissions by contacting her at 610.642.6550, ext 116, or [lhughes@breastcancer.org](mailto:lhughes@breastcancer.org). We regret any errors.
